GOVERNMENT NOTICE No. 210.

HIS EXCELLENCY the Acting Governor has approved of the following Bills being introduced into Legislative Council :—

G. R. SANDFORD,

Clerk to the Legislative Council.

A Bill to Amend the Customs Tariff Ordinance.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

1. This Ordinance may be cited as " the Customs Tariff Ordinance, 1927." and shall be read as one with the Customs Tariff Ordinance (Chapter 50 of the Revised Edition), hereinafter referred to as " the Principal Ordinance."

2. When any agreement has been made with the Government of any of the territories mentioned in section 263 of the Customs Management Ordinance, 1926, making the provision described in paragraph (2) of that section, the Governor shall notify the fact in the Gazette and thereupon the following provisions shall have effect with respect to such territory :—

Notification of agreement in Gazette and application of special provisions to import duty.

(1) No import duty shall be collected upon goods imported from such territory if import duty shall have previously been collected upon such goods in such territory at a rate not lower than the rate prescribed by the Principal Ordinance in respect of the importation of such goods into the Colony ;

When no import duty is collected.

(2) When duty shall have been collected upon the importation of goods into such territory at a rate lower than the rate prescribed by the Principal Ordinance in respect of the importation of such goods into the Colony, then, if such goods are subsequently removed from such territory into the Colony, import duty shall be levied and collected to an amount equal to the difference between the sum payable to the Government of the Colony in respect of such goods under such agreement as aforesaid and the full import duty payable under the Principal Ordinance ;

When a portion of import duty is collected.

(3) (a) When import duty shall have been collected upon goods imported into the Colony and such goods shall have subsequently been removed into such other territory, then, if the duty collected in the Colony is greater than the amount payable upon the importation of such goods into such other territory, the Commissioner of Customs may refund to the person from whom import duty shall have been received an amount equal to the difference between the amount payable by the Government of the Colony under such agreement as aforesaid and the import duty collected in the Colony ;

When a refund in respect of import duty may be made.

(b) This sub-section shall apply only in the case of goods which either have paid a specific import duty in the Colony, or are removed into such other territory in packages unbroken since importation, and, in either event, are removed into such other territory within twelve months from the date upon which import duty shall have been collected in the Colony.

OBJECTS AND REASONS.

Section 263 of the Customs Management Ordinance, 1926, empowers the Governor in Council to enter into an agreement with the Government of any territory in Eastern Africa, being a portion of the British Dominions or under the protection of the Crown or which is administered by a mandate held by His Majesty, providing *inter alia* that one party to the agreement shall collect on behalf of the other party the Customs duties imposed in respect of goods which, having been imported into its territory, are removed into the territory of the other party. The object of an agreement under this section is to avoid the payment of double import duty on goods passing between the territories concerned.

Under such an agreement the Government of the territory in which duty has been collected will make a payment in respect of that duty to the Government of the territory to which the goods are subsequently removed. That payment will be the actual amount of the duty collected when the circumstances are such that this amount can normally be ascertained. In other circumstances it will be a payment in respect of the duty collected, and will be calculated at a rate to be determined by the agreement.

Accordingly, when an agreement has been made between two Governments, the duty collected upon the importation of goods into the territory of one Government will be taken into account in determining whether or not any further duty is payable upon the removal of those goods into the territory of the other Government.

It is proposed by this Bill to prescribe the provisions which will apply in regard to the levy and collection of import duty as between this Government and the Government of any territory with which an agreement has been entered into.

Under the provisions of the Bill, where the tariff of import duties is the same in each territory, goods upon which duty has been collected in the other territory may pass into the Colony without payment of any additional duty.

Provision is made, however, for cases in which the import duty upon goods removed into the Colony may be *higher* than the duty originally paid in the territory from which they were removed. In such a case payment of a part of the import duty is required from the importer. Provision is also made for cases in which goods are removed from this Colony to another territory in which the import duty may be *lower* than the duty originally paid here. In this case a refund of a part of the import duty paid is allowed to the original importer. This refund is necessarily limited to circumstances in which the amount of duty paid can be accurately ascertained and is confined to cases where the removal is effected within a limited time.

GOVERNMENT NOTICE No. 211.

A Bill to Provide for the Allocation of Customs Revenue between the Governments of Kenya and Uganda.

BE IT ENACTED by the Governor of the Colony of Kenya, with the advice and consent of the Legislative Council thereof, as follows :—

1. This Ordinance may be cited as "the Customs Revenue Allocation Ordinance, 1927," and shall come into operation on such date as the Governor may by notice in the Gazette appoint.

Short title
and com-
mencement.

2. In this Ordinance, unless the context otherwise requires :—

Interpretation

"Combined department" means the combined Customs Department of Kenya and Uganda.

"Net total duty" means the total amount collected in respect of duty less the total amount of such duty refunded.

"Net revenue" means the gross revenue less the gross expenditure.

"Gross revenue" means the total amount collected in respect of the following—

- (1) net total duty;
- (2) transit and re-export fees;
- (3) administration fees;
- (4) cramage charges;
- (5) net proceeds of sale of confiscated and unclaimed goods;
- (6) net proceeds of sales of departmental stores or equipment the cost of which has been charged against the expenditure of the combined department;
- (7) weighing fees, sealing fees, endorsement fees, commission on sale of unclaimed goods and other similar receipts for specific services rendered by the combined department;
- (8) warehousing fees;
- (9) seventy-five per cent. of the net amount of all fines imposed under any law relating to Customs, whether by any Court or by the Commissioner of Customs. The term "net amount" means the amount credited to revenue after the payment of any awards.

"Gross expenditure" means—

- (1) all salaries and expenses of the combined department as provided for in the Customs Estimates;
- (2) expenses actually incurred for rent of warehouses for storage of uncustomed goods at Mombasa and Kilindini and an allowance in respect of rent on warehouses used by the combined department at Mombasa and Kilindini which have been erected at the cost of the Kenya Government, calculated on the cubic storage capacity and the average rental payable for similar storage accommodation;

- (3) house allowances paid to officers of the combined department stationed at Mombasa and Kilindini, and, in cases where such officers occupy Government houses, the amount of house allowance to which they would be entitled if they did not occupy Government quarters; 5
- (4) interest and sinking fund on the capital expended on any new building erected in the future as headquarters for Customs purposes and the equipment thereof; 10
- (5) cost of all stationery supplied to the combined department from any source whatever.

Amount of
Customs
revenue payable
to Uganda.

- 3. There shall be payable annually to the Government of the Uganda Protectorate a sum which bears the same proportion to the net revenue collected by the combined department as the total net duty collected on goods imported into or exported from Uganda bears to the net total duty collected. 15

OBJECTS AND REASONS.

The object of this Bill is to make provision for the allocation of Customs revenue between the Governments of Kenya and Uganda. Provisions governing this matter were made by the Customs (Amendment) Ordinance, No. 32 of 1922, which was subsequently incorporated in the Customs Ordinance (Chapter 87 of the Revised Edition).

When, however, the new Customs Management Ordinance, 1926, is brought into operation the present Customs Ordinance will be automatically repealed, and therefore it is necessary to legislate so as to provide for the future allocation of Customs revenue as between Kenya and Uganda.

The present Bill is copied from the Customs (Amendment) Ordinance, 1922, above mentioned, and it is intended that it should come into force on the same date as the Customs Management Ordinance, 1926.

GOVERNMENT NOTICE NO. 212.

3. (1) Upon the final approval of a town planning scheme in accordance with the provisions of section 5 of the Principal Ordinance notice of such approval shall be published in the Gazette.

(2) A scheme so approved may be carried into execution notwithstanding the terms of any caveat lodged in respect of land under the Crown Lands Ordinance, the Land Titles Ordinance or the Registration of Titles Ordinance.

Cancellation of old, and issue of new, documents of title when scheme provides for readjustment of boundaries, etc., of plots or holdings.

4. (1) Upon the publication in the Gazette of the notice of final approval of a town planning scheme providing for a readjustment of the boundaries, area, shape and position of any plots or holdings of land then, except in so far as the scheme may provide to the contrary—

(a) all plots or holdings of land comprised in the scheme the boundaries or position of which are required by the scheme to be readjusted shall for the purposes of such readjustment be deemed to be Crown land, and all right, title and interests in respect thereof which were theretofore vested in any person shall be extinguished, and the documents of title, including caveats, under which such plots or holdings of land were held shall forthwith be delivered to the Commissioner of Lands or to such officer as he may appoint for the purpose in order that the same may be cancelled. All such cancelled documents of title shall be retained by the Commissioner of Lands;

25 to the date of publication of the said notice of final approval, and so that mortgagees, chargees, lessees and other encumbrancers or persons (other than the owners) who were immediately prior to such date interested in any plot or holding which is readjusted under the scheme shall, except as aforesaid, have, as nearly as may be, the same remedies and rights against
30 and in the plot or holding held by any person under a certificate of ownership issued in pursuance of this section as they severally had against and in the plot or holding held by such person under the document of title in lieu of which such certificate of ownership has been issued.

35 (3) Every certificate of ownership issued under this section shall be registered against the title which has been extinguished, in the same register as the document of title in lieu of which such certificate of ownership is issued was registered; and the Registrar of Titles shall perform all such acts, endorse all such certificates of ownership and make all such entries in the books of his office as may be necessary to give effect to the provisions of this section.

45 (4) The Commissioner of Lands or a Registrar of Titles may, upon such evidence as shall appear to him sufficient in that behalf, correct clerical errors in certificates of ownership issued under this section or in the register, or in entries made therein respectively, and may supply entries omitted to be made: Provided that in the correction of any such error he shall not erase or render illegible the original words and shall

(6) Any person who without reasonable excuse shall, within six months from the date of publication of the said notice of final approval or within such further period as the Commissioner of Lands may in writing allow, fail or neglect to deliver up to the Commissioner of Lands, or to such other officer as he may appoint, any document of title required by the provisions of this section so to be delivered up, shall be guilty of an offence and shall be liable to a fine not exceeding fifty pounds. 5

(7) Any person who shall dishonestly or fraudulently use or attempt to use any document of title to land after the right, title or interests purporting to be evidenced by such document have been extinguished by the operation of this section, shall be deemed to have committed or to have attempted to commit the offence defined in section 415 of the Indian Penal Code. 10 15

L.S.

(Title of issuing officer.)

Mortgages and other interests above referred to :

.....
.....
.....
.....

OBJECTS AND REASONS.

The approval of the Mombasa Town Planning Scheme involves material alteration in shape and size, and consequent readjustment of boundaries, in the case of numerous alienated plots in the Township of Mombasa. A considerable number of existing titles will therefore require to be altered accordingly.

One method of achieving the desired result would be for each individual whose title is to be affected to surrender his existing title to the Crown and obtain from the Crown a new title to the altered plot. Owing, however, to the number of titles involved and to the delay and complications which would ensue, particularly where plots have been mortgaged, it is considered that the adoption of this method would be unnecessarily cumbersome. It would certainly involve considerable expense.

This Bill has therefore been prepared with the object of obviating the expense and delay which would otherwise be involved in dealing with titles not only in respect of the Mombasa Town Planning Scheme but also in respect of other town planning schemes as and when they are approved.

Briefly the Bill provides that on the publication in the Gazette of the final approval of a town planning scheme which involves the readjustment of boundaries of plots or holdings, the following provisions shall take effect:—

- (1) The existing title to every plot affected by the scheme is automatically extinguished and the plots are deemed to be Crown land. All documents of title relating to such plots are required to be forthwith delivered up to the Commissioner of Lands or to such officer as he may appoint in order that they may be cancelled;
- (2) The Commissioner of Lands is then required to issue or cause to be issued to each of the several persons amongst whom the plots are to be redistributed a certificate of ownership in the prescribed form in order that they may hold the sites assigned to them upon the same terms and conditions and for the same interests and subject to the same encumbrances (if any) as applied in the case of the original sites;
- (3) Every certificate of ownership so issued is to be deemed to be issued under the same authority as that under which the original title was issued, that is to say, under the Crown Lands Ordinance or the Land Titles Ordinance or otherwise.

Provision is made to the effect that no stamp duty or other fee shall be payable in respect of any act required to be performed under the Bill.

Penalties are provided for failure to deliver up title deeds as required and for fraudulently using or attempting to use any title deed when the title has been extinguished.

Owing to the fact that the Mombasa scheme has already been approved, special provision is made in clause 5 of the Bill for fixing the date upon which the provisions of this Bill are to take effect in regard to Mombasa.
